Eligibility for some services has increased to 200% of the Federal Poverty Level.

Our HELP Centers in Bell County and Multi-Service Senior Centers throughout our service area are currently closed to the public, but we do have a couple of options to make it easy to apply:

- **CLIENT KIOSK**

A new client kiosk is available to applicants who have the capability to upload documents via personal computer or smart phone.

Visit our home page at <http://hccaa.com> and click on the Emergency Disaster Relief-COVID-19 tab.

There you can find more information about emergency disaster relief, eligibility, and how to apply for services.

A client checklist is available on the webpage to assist them through the process.

Here is a direct link to the kiosk: <http://hccaa.com/emergency-disaster/>

- **APPLY BY TELEPHONE OR MAIL**

Applicants without that capability can contact one of our centers and their application will be taken over the phone or request to receive an application by mail.

The contact information for the center in your area is:

San Saba Multi-Service Senior Center
705 E Storey
San Saba TX 76877
325-372-5833
